

Implementation – Regular Season

- Minimum games:
 - For both Division 1 & Division 2, all teams play a minimum of eight (8) games against Division opponents
 - All team must play at least two (2) games against opponents from the opposite Division to qualify for post-season (playoffs, awards)
 - Teams may play any single opponent no more than twice in the regular season in the calculation for playoff eligibility
- Out-of-division contests only serve as tiebreaker criteria in the standings
- There are no limits on total games, either within or across divisions
- Games beyond the minimum do count for playoff standings
 - In-Division games are used to calculate win percentage for rankings
- Barring extenuating circumstances , a WVSLA forfeit disqualifies a team from participating in the playoffs
